WOMAN IN THE CASE.

Mme. Grace Zingara Offers Attorney \$200 to Aid Rev. Crociata.

Rutland, June 8.—That Mme. Grace Zingara, "reliable palmer and psychic clairvoyant," who has been located at No. 25 Elm street, has been connected with the movement to secure the freedom of Rev. Francis Crociata, now serving time at the house of correction, is the latest development which, it is believed, may eventually throw some light on the "Black Hand" threat made against a Rutland attorney, says the Rutland Herald. The woman has not been seen at her home since last Thursday morning, when the Herald printed the first story telling of the "Black Hand" threat.

Mme. Zingara's connection with the case has not been fully revealed, but the officials at the house of correction state that she made frequent visits to Father Crociata at that institution. A few days ago she called on the attorney, who has been threatened with death if he interfered in any way with the petition asking Gov. G. H. Proctor to pardon the priest, offering him \$200 if he would carry the case to the supreme court and circulate a petition for a pardon. The lawyer refused to adopt this method of practice and the woman went into a rage.

Since that time she has been at the house of correction. She is still advertised to be at her home on Elm street. Rev. Francesco Crociata is serving a sentence of from three to five years in the house of correction for assault in connection with the murder of Acazio Santoro last July. Attorney John D. Spellman has been circulating a petition for a pardon which will be presented to Gov. Proctor.

Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terror it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.

Permanent cures in Barre prove the merit of Doan's.

Mrs. Della Stephens, 157 Seminary street, Barre, Vt., says: "I know from experience that Doan's Kidney Pills are a reliable remedy. My first trial with them dates back three or four years ago. Severe pains in my back caused me no end of suffering. Mornings when I arose, I was stiff and lame across my kidneys, a tired languid feeling clung to me. I had headaches and dizzy spells and was also bothered a great deal by the kidney secretions. Good reports about Doan's Kidney Pills led me to try them. They helped me from the first. I continued taking them and was soon relieved of my suffering. This excellent remedy can be procured at E. A. Brown's drug store."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
